As you look through this book, you will see that it is a little different from previous years, but so is life as we knew it. A yearbook is actually a history book of each school year. This one certainly depicts an unbelievable time in our history. 2020 was definitely a year that will be remembered for years to come. Thank you to the yearbook staff who worked on the book until Covid19 took over. They were lucky enough to use a new program, making for some fun images you'll see throughout the book. You will also see random images of "hidden seniors". This was a creative idea to include all seniors somewhere in the book. Unfortunately, it was not completed, but take the time to look for them as you are going through the pages.

In March, this yearbook was left with many blank pages. There would not be pictures from the spring athletic season, talent show, NHS fashion show, prom or any of the exciting year end senior events. The completion of the 2020 yearbook was because of the extreme generosity of LeighAnne Pendlebury, a 2000 BHS graduate, who volunteered her photography talents and many, many hours sitting with me to complete this book making it a "history book" to be remembered. I'm confident that I not only speak for myself, or BHS, but also for the Town of Bellingham, thanking Leigh Anne for capturing the images that made this year so historic. Her time, talents and generosity will always be remembered and appreciated

With gratitude
Melissa Newman,
Yearbook Advisor

Thank You, Best Wishes

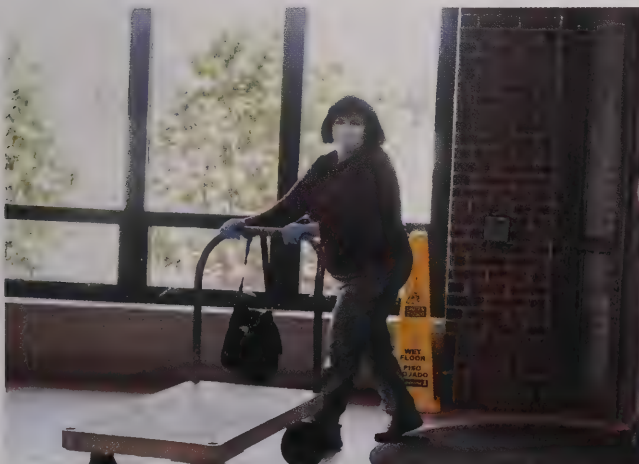

Dear BHS Students, I will carry many fond memories of my time at BHS into my retirement. It has been gratifying to watch the students here grow and mature and develop to their potential. Albert Einstein once told his biographer, Carl Seelig, "I have no special talents, I am only passionately curious." My hope for all of you is that you, too, will be passionately curious. Broaden your horizons through travel and literature. Get to know people who aren't just like you. Learn about other cultures and consider multiple points of view. Question everything, never sacrifice your integrity, never stop learning. I wish you all joy, good health, success, and passionate curiosity.

- Mrs. DiStefano

Dear BHS Students, As I retire and leave behind a multitude of great memories, I offer you the wisdom of President Ronald Reagan to guide you through your journey: "There are no great limits to growth because there are no great limits of human intelligence, imagination and wonder". So BHS students continue to learn, envision your futures and make them your reality! I have enjoyed all of my time with you and wish you all the greatest success in your future endeavors!

- Mrs. Ryan boldly walking into the future with the class of 2020!!!

Varsity Baseball

To the athletes who have been affected by the historic lost season, The news we all received on March 12, 2020 will ring in our ears for the rest of our lives. We were all caught off guard and told our season would be put on hold. After this news, we all waited with hopeful optimism that we would get some great news with some semblance of a season. On April 21st, we did not get the news we had hoped for. Instead, Governor Baker announced we would not be returning to school for the rest of the year. Our season was lost officially. At that time, my heart broke for all of our athletes. For some of you, this was the last chance for you to put your skills on display and have an opportunity for your favorite college to discover you. Then, there were those of you who know this season was your last. It was supposed to be your year, a year where you led a group of young athletes through a season and a run at the state tourney. You were supposed to out in a BLAZE OF GLORY. This was a story you were going to tell your children and their children. You would tell them about all the great things that happened during the season. Remembering the camaraderie, such as going out to dinners together, smiling, laughing and enjoying every minute you had together. You would be fighting through the hard times and challenges each season presents. Also, balling for a championship in front of all those fans and young athletes who look up to you. Unfortunately, none of this will happen for us this season. I will truly miss coaching this season and this group.

For coaches especially we know the ball stops at some point. Meaning, we all lose a step and find its time to hang up the spikes and put more energy into parenting, coaching, and work. We never thought the ball would be taken out of our hands and stolen from us.

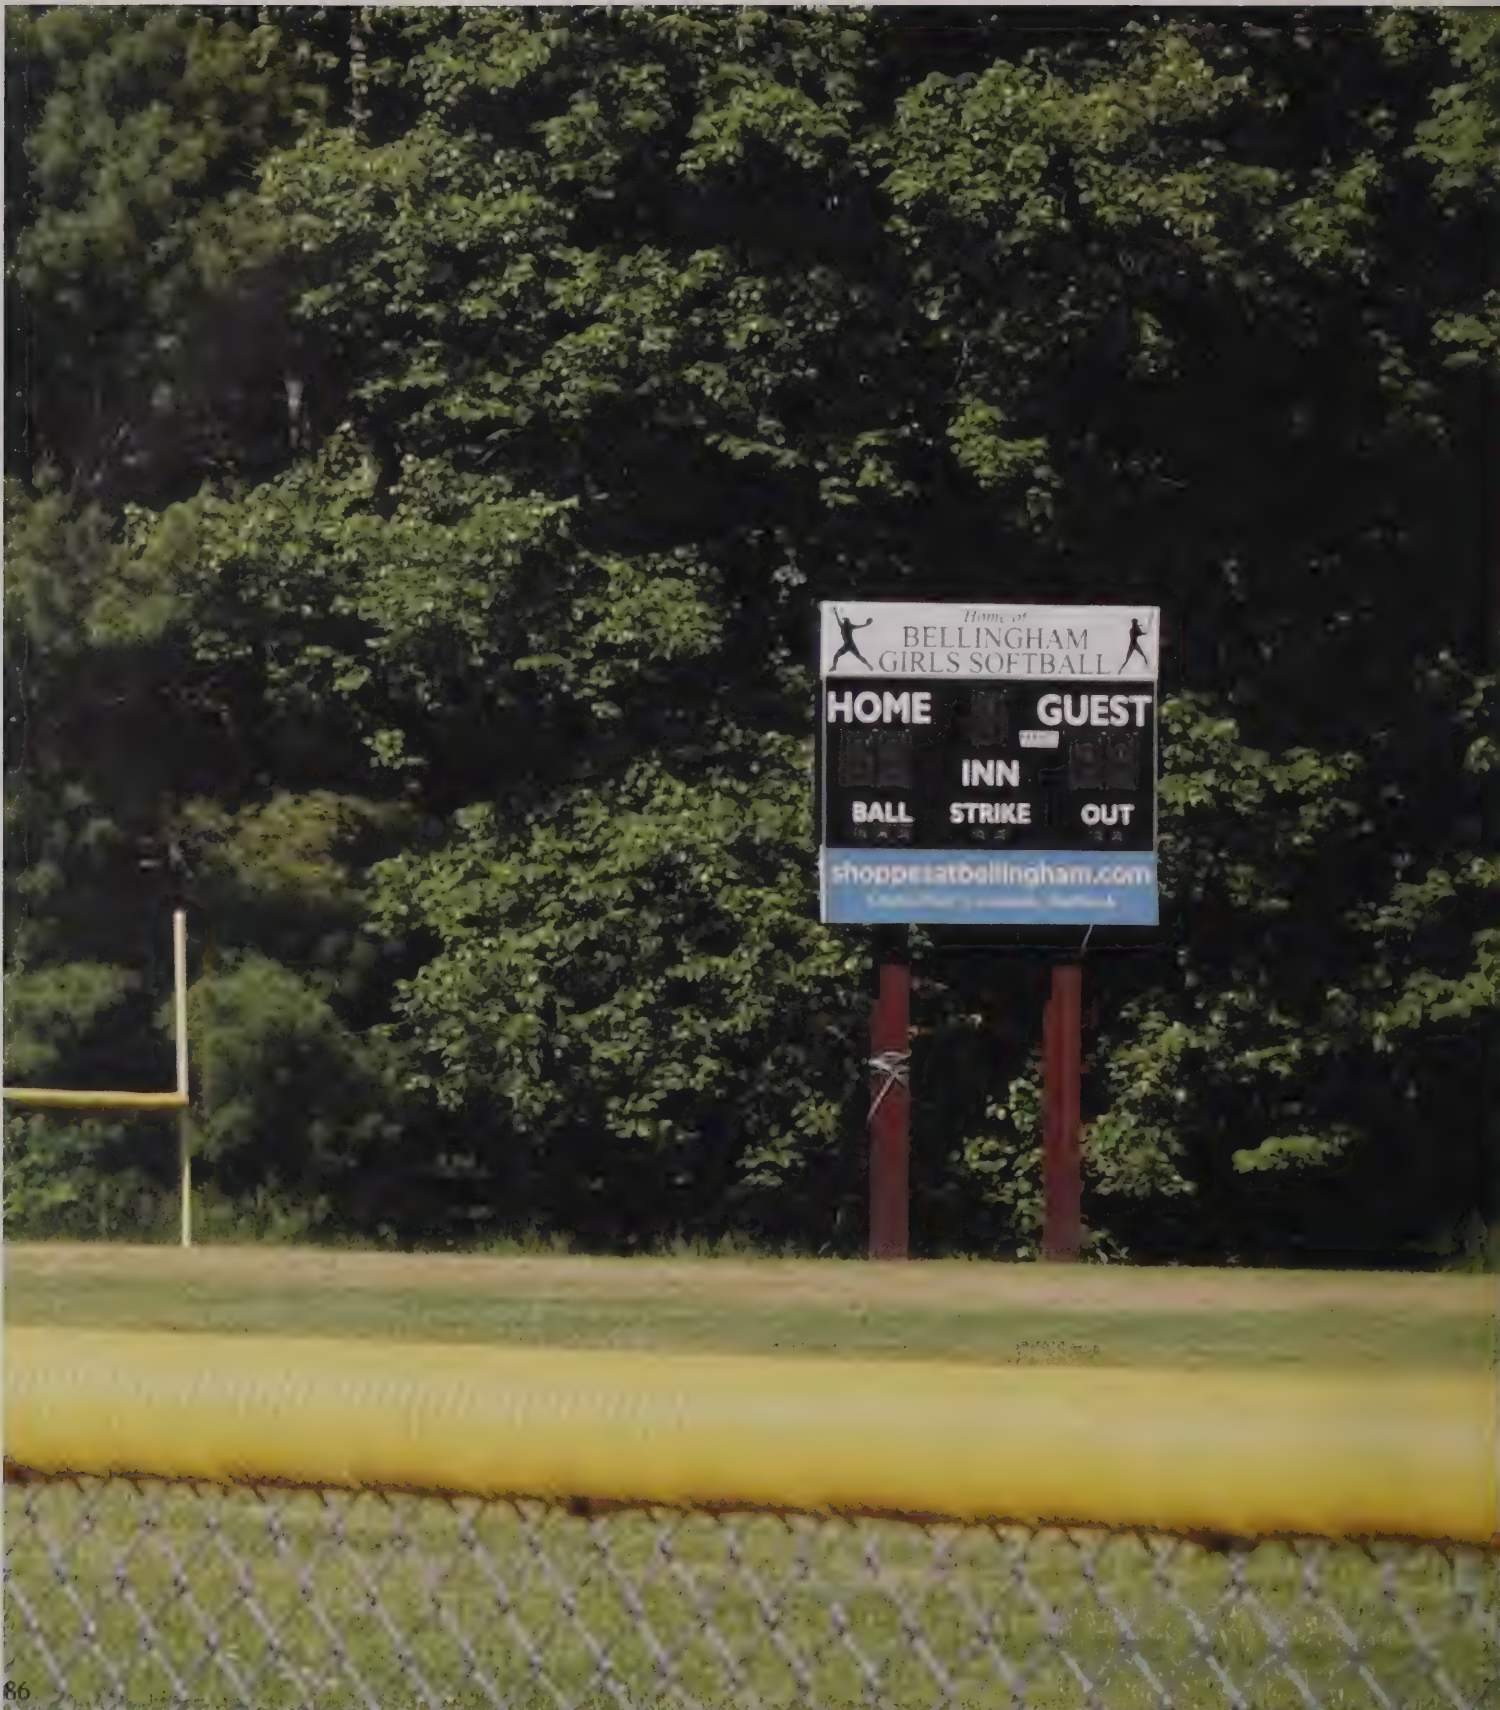

We need to remember not to take things for granted and each and every moment is special. Don't let things get taken front you, if you have a decision in the matter. What we all need to remember is our efforts have not gone to waste. Think about your friendships that will last for a lifetime. Something sin life happen that are completely out of our control, we have to deal with them and get stronger because of them. Your dedication to your sport help mold you into the person you are today. Your level of work ethic, dedication and passion will only make your stronger in he future. These are the things you can put on your resume. These things are what is important to the people you will be trying to impress. You have all seen something which no one before you has, and you will be stronger for it.

Lastly, remember while you didn't get to battle for that championship in front of all those fans and young people watching you, you were admired. Those kids who have watched your for years are still looking up to you and will be mimicking your moves and buying the gear you had on the field. They will inspire to be like you when they grow up. Live in the moment, work hard even when no one is watching, because we all know things can be taken from us in the snap of a finger. The best part of coaching is not the wins and the championships, its the friendships make and seeing our athletes come back to BHS to say hello and share a memory.

You and the season of 2020 will always be remembered and will become a part of history.

Sincerely,
Coach Houston

Varsity Softball

To the 2020 Bellingham High School Softball teams:
I hope you and your families are safe and healthy. I know its been a difficult time for everyone because of the pandemic.

I'm sure you all miss school, softball and your teammates. I know I miss coaching all of you. To the underclassmen, have a safe summer and I hope you all are looking forward to school in September and the 2021 softball season (I know I am).

To our seniors: Kasey, Kaleigh, Kayla, Alexis, Kim & Syd, We will miss all of you next year. I can only imagine how disappointed you all must feel not having an opportunity to finish your senior year the right way.

I hope you don't let this moment define you. The most important thing now is you and your family are safe and healthy.

You should all be proud of what you have accomplished in your high school career, you are all highly respected, leaders and role models. I know I'm proud of what you and its been an honor coaching you. Thanks for carrying on the Bellingham High School Softball tradition.

The 2020 Bellingham High School Softball team will always be special.

Congrats and good luck.

Always remember "Once a Blackhawk, always a Blackhawk". You guys are the best.

Coach Baker

Boys Varsity Lacrosse

To our graduating boy lacrosse players, we wish you continued success as your journey continues past high school. For many years you have enjoyed the sport of lacrosse and matured as an athlete while developing the skills to compete in our sport. It has often been said that lacrosse is a 'character building' sport. I have witnessed this in each of you as you have developed your skills and matured in your character. The end of your high school career is truly the beginning of your adult life. I hope you will use the lessons that we've learned over the years to help develop the man you will become as your journey continues. It has been a pleasure coaching you as a player and watching you grow as a person off the field.

Zack, Matt, Jake, Chris, Kyle, Tyler, Josh and Corey-
I wish you all the best in your future endeavors.

Girls Varsity Lacrosse

Dear Class of 2020,
Congratulations on graduating from BHS! Each of you should be proud of yourselves. I'm sure looking back in your yearbook will give you some delightful nostalgia at some point, but surely we can all agree this will be a year each of you never forgets.

Although I'm sure this letter is meant to be uplifting, there isn't a lot that can be said to bring back those occasions you lost out on. No last-first practice for spring athletes, No last-first game. No last-first point you earned for your team. No laughing or bonding with your teammates and coach. No early morning Saturday practice. no whistles blow, jerseys or hands shook. And I know those are only a few.

I hope you each are able to grieve in your own way for the senior you that missed out. And once you have done that, I hope there is room left to reflect on the joy, fun and drama that you have experienced in all of the years you spent at BHS.

To the girls who played, or planned to play girls lacrosse,
I wish more than anything i was able to coach and learn with you all this season. Girls lacrosse and the spring is a really special time; and I am always so humbled to be with a group of girls who show up and are determined to work hard everyday. You all continue to impress me in the classroom and in the community! Stay well and happy.

Caela, Chloe, Grace, Hannah and Sam,

I am truly saddened for each of your for the missed spring athletic season and even more for the other fun opportunities that you pictured that were going to be awesome. but were taken out from underneath you right as they were about to happen. Getting to see you girls enjoy your lives and moments in high school is precious and wonderful. I'm not an overly emotional person as you know, "shocker", but I am heartbroken that this is the way we say goodbye. I have never coached a day that didn't include the five of you. Whether you were on the field or just in my head, each of you helped keep me in check and push me to be better.

I am so thankful that you were part of the first team I ever coached. Our team and the program owes you ladies for raising the bar of commitment to the team and sport, for setting a new standard for hard work and perseverance, and for being a representation of girls lacrosse at our school. Hopefully you each know how much i care about you and I miss you. Your each incredible young ladies and I know each of you will move on to bigger and better things, such great things that missing out on your senior might not seem so bad.

Coach McKay

Varsity Boys Volleyball

There was a lot of excitement as we prepared for the 2020 season. 2020 was going to be the second season of boys volleyball at Bellingham High, and we were seeing increased interest and numbers as we started into captain's practice.

The two returning seniors, Nolan Wojick and Damien Saccol were ready to lead the young team. The season was sadly over before it began, but what you could see is that the young men who came back from last year and were coming out for the first time this year had the passion for volleyball. As the newest sport in the school, a pandemic could kill the momentum of a young team, but I am confident that those young men will be back with even more athletes to take BHS boys volleyball forward in 2021.

To Nolan and Damien, we wish them well, sad that they did not get their senior year but proud to have had the opportunity to coach them. To those that will return, get your touches in, play whenever you can, and be ready for 2021!

Coach Steve Mantegani

Varsity Girls Track & Field

While the 2020 Track and Field season has come and gone-sort of, it started out great with a record 48 girls signing up. I knew we had a lot of talent and we were geared up for a big year. several girls went to pre-season conditioning workouts with our trainer, Jen Dowd, now that's dedication.

I had a meeting with the team captains to plan our season; Makayla Champagne-focus-Throws, Emily Janell-focusJumps, Danielle Villa-focus-Middle distance, Haylee Morrison-focus-Sprints. Personally, I was really pumped up for a great season.

The whole team met, talked a little, passed out locks and assigned lockers, then it all came crashing down. Even then, we held out for a return to school and a late start to the season. Mr. Connor, the athletic director had the schedules all set, not just for track but for all spring sports. Then he changed them to a late start, then to a shortened season. Finally when school was canceled by the governor, our season was over. Covid 19 closed the school and all school activities.

I felt so bad for the girls, they had worked hard getting ready for the season. This year has been especially hard on seniors. We had 2 seniors on the team this year, Gina Priscella, 400-600 meter specialist, Tasia Castillo, a hurdles specialist, we will miss you girls.

Girls, don't quit, workout hard this summer and into next year. We'll be ready again next spring.

I do want to mention one more person. He's a great coach and leader. We've coached together for the past 10 years and he's retiring from both teaching and coaching, Peter LaCasse, you'll be greatly missed.

Coach Cole

Varsity Boys Track & Field

Hi Spring Trackie's,

As you are all too aware 2020 has been historic and totally unforgettable. I was really looking forward to the Outdoor Season and wanted to take the time to express my thoughts of ways to use this short period of time as learning experience and motivation for the future. As Kazuo Ishiguro said, "There was another life that I might have had, but I am having this one."

Let me start by saying that the track team keeps getting stronger, with over 45 girls signed up, making the whole program over 90 athletes (2 full buses WOO HOO!). Many of the boys have been around long enough to remember when that was not the case, and how enjoyable it is with teammates who work hard and push each other to great successes. The comradery and friendships formed, through the successes and disappointments, strengthen your bonds to each other. The stories you tell of workouts and victories, with past and present teammates, are memories forever.

To the Seniors I feel for your loss. You were the first class to compete at the varsity level as 8th graders in the spring of 2016. Tim we have watched you grow so much over the last 3 years socially and as an athlete. It was awesome to watch you beat up Coach Dave, and laugh while doing it! Jayden you have worked so hard to be the best Jav thrower in the TVL and I am disappointed that we were unable to have the opportunity to watch you do it. Always know in your mind that you would have accomplished that, I will! Matt Fitz, I have always been impressed with your fight and will to overcome the many obstacles you faced. The pure mental strength to say, I will overcome, will make you stronger for the future. Captain Vinnie, I know you have been through a lot. As a young man you have demonstrated the ability to roll with the punches, gut checks and made yourself a better person in the process. Keep the faith and continue to be a FIGHTER and make us proud. Captain Bruce, I have been coaching for 26 years and have met few athletes with your desire and work ethics to be your best. I know that you would have been a great captain with your lead by example approach. Well Captain Brandon, I am lost for words other than you are the bomb! You have a passion for everything that you do getting everyone motivated around you. I appreciate that you have given so much of yourself to the program and leaving us better people for knowing you.

To the underclassmen. Know there is much work to do. The graduating seniors have left their mark in the record books, team building and standards for effort and success. It is up to you to demonstrate the attitudes necessary to build upon the overall team's success, leaving your mark on future teammates and the record books.

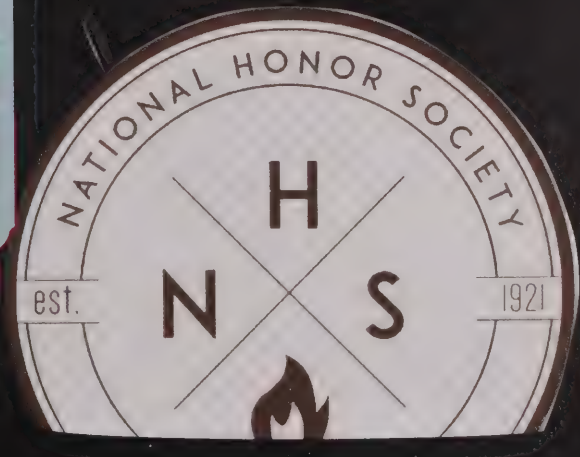

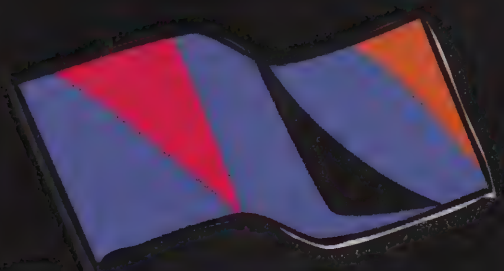

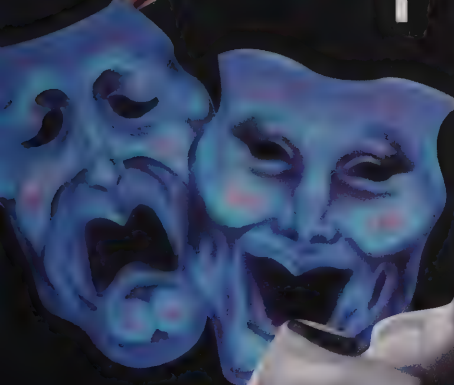

I just want you all to know that I have truly enjoyed being your coach. It has been so satisfying coaching for my home town, watching you make it a better place. I will miss coaching you on a daily basis but will continue to watch your successes, so make me proud.

In closing remember that no matter where you go that you represent yourself, family, school and community. Leave it better than when you arrived. Always thank your competitors and officials, they help to make you better. As Theodore Roosevelt said "Do what you can, with what you have, where you are"

Dear Graduating Class of 2020

This has certainly been a year to remember! In my many years of working in the Bellingham School District, I have had to face many difficult situations, nothing comes close to what we are all experiencing during this worldwide pandemic.

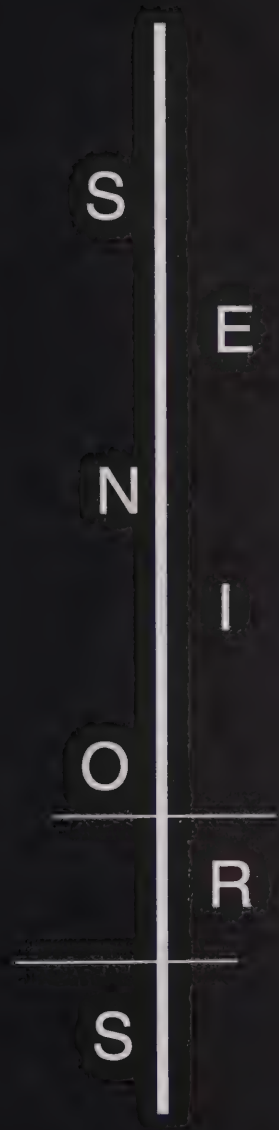

This was supposed to be a year of celebration, excitement, and completion. The end of your senior year highlights your achievements in so many ways. Don't let the circumstances of 2020, as frustrating as they may be, stop you from being proud of what you have accomplished or from reaching your goals. As Maya Angelou said "I can be changed by what happens to me. But I refuse to be reduced by it." If you have learned anything through this year it is to be resilient, when you are faced with difficult circumstances, persevere.

You, the Senior Class of 2020, are more resilient than anyone could have imagined. We are all extremely proud of the work you have done over the last 13 years and we know that you will all do great things in the future. I encourage you to stay in touch with one another and find meaningful ways to connect with your peers. Be bold in the face of adversity and be kind to one another.

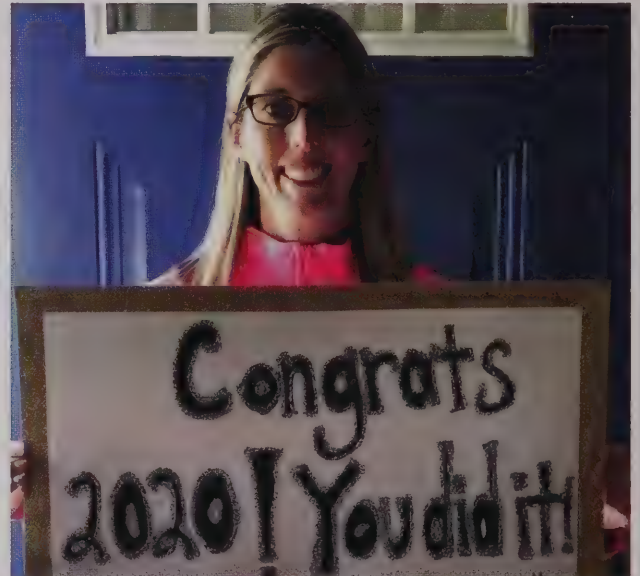

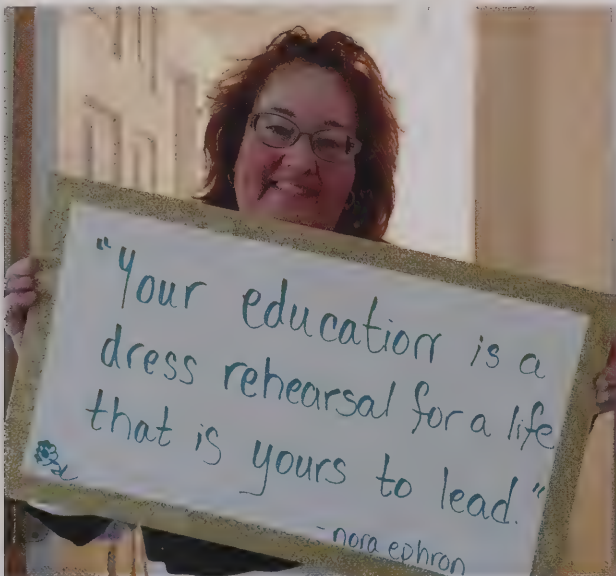

Stay strong Class of 2020, this is not how any of us envisioned your senior year. You are the future and we celebrate your accomplishments!

Chinese authorities treated dozens of cases of pneumonia of unknown cause.

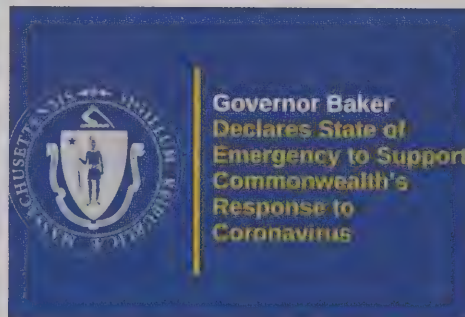

On Dec. 31, the government in Wuhan, China, confirmed that health authorities were treating dozens of cases. Days later, researchers in China identified a new virus that had infected dozens of people in Asia. At the time, there was no evidence that the virus was readily spread by humans. Health officials in China said they were monitoring it to prevent the outbreak from developing into something more severe.

COVID-19

JAN. 20

Other countries, including the United States, confirmed cases.

The first confirmed cases outside mainland China occurred in Japan, South Korea and Thailand, according to the W.H.O.'s first situation report. The first confirmed case in the United States came the next day in Washington State, where a man in his 30s developed symptoms after returning from a trip to Wuhan.

Coronaviruses are a family of viruses that can cause illnesses such as the common cold, severe acute respiratory syndrome (SARS) and Middle East respiratory syndrome (MERS). In 2019, a new coronavirus was identified as the cause of a disease outbreak that originated in China.

Coronavirus

The virus is now known as the severe acute respiratory syndrome coronavirus 2 (SARS-CoV-2). The disease it causes is called coronavirus disease 2019 (COVID-19). In March 2020, the World Health Organization (WHO) declared the COVID-19 outbreak a pandemic.

BELLINGHAM, Mass. — Students and staff members of a Massachusetts high school who recently traveled to Italy being asked to stay home from school this upcoming week due to coronavirus concerns.

Symptoms

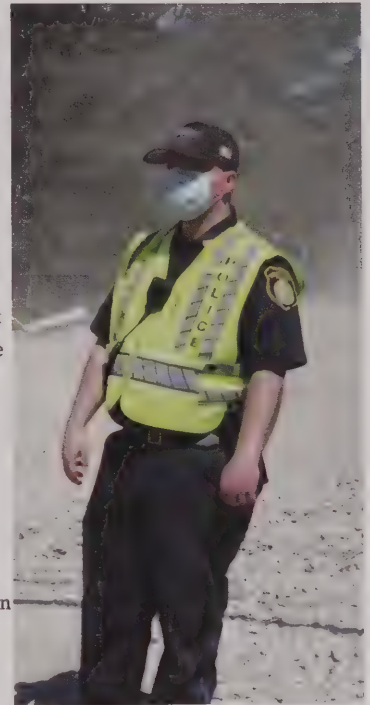

Signs and symptoms of coronavirus disease 2019 (COVID-19) may appear two to 14 days after exposure. This time after exposure and before having symptoms is called the incubation period. Common signs and symptoms can include:

- Fever
- Cough
- Tiredness

School districts throughout the area have joined Milford in deciding to close their doors for at least one to two weeks in the face of the continuing surge of the COVID-19 coronavirus emergency.

In a coordinated effort, school districts throughout the area have decided to close their doors for at least one to two weeks in the face of the continuing surge of the COVID-19 coronavirus emergency.

Local schools on the list include: Bellingham, Foxborough, Franklin, Medway, Millis, Norfolk, Norfolk County Agricultural School, North Attleborough, Plainville, Tri-County Regional Vocational, Walpole and Wrentham, as well as the Benjamin Franklin Classical Charter Public School in Franklin and the Foxborough Regional Charter School, to name a few across the region.

BOSTON — Today, Governor Charlie Baker issued an emergency order requiring all businesses and organizations that do not provide "COVID-19 Essential Services" to close their physical workplaces and facilities to workers, customers and the public as of Tuesday, March 24th at noon until Tuesday, April 7th at noon. These businesses are encouraged to continue operations remotely.

Bellingham Board of Health Stay at Home Advisory Order

2020 APR -9 A 11: 06

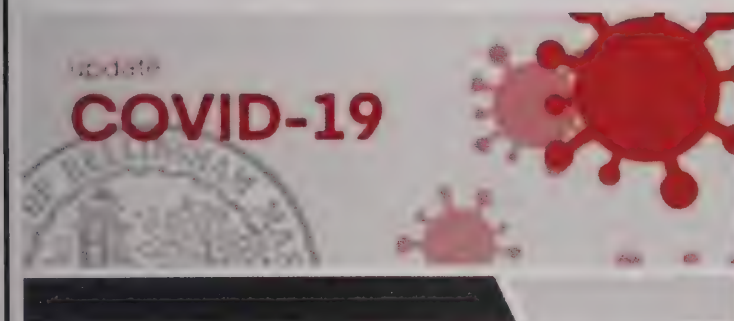

As expected, case numbers in our state are rising, so it's more important than ever to follow guidance from local, state and federal officials. It is critically important that everybody follows the steps listed below. This is especially so for people over the age of 70 and people who have underlying health conditions – who are at high risk for COVID-19.

Staying home means:

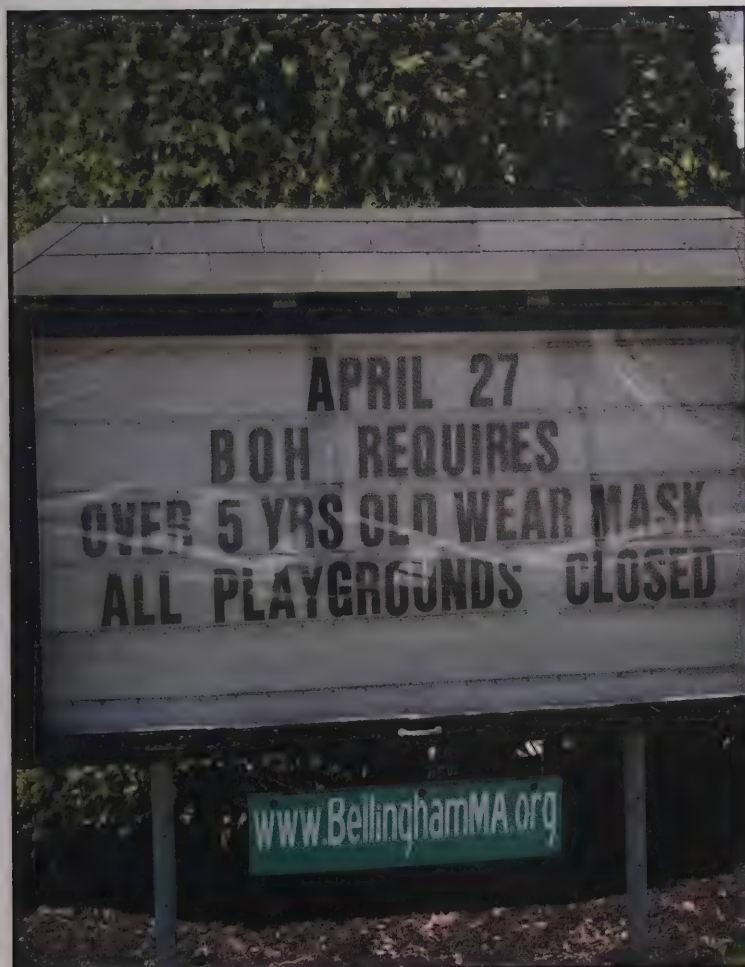

- Only leave home for essential errands such as going to the grocery store or pharmacy. When you do leave home, practice social distancing by staying 6 feet away from others.
 - If you are at high-risk, you should ask about special hours at your local pharmacy or grocery store for high risk individuals.
 - When going to the pharmacy ask if you can fill your prescriptions for 90 days if possible; for some medications this is not allowed. If you are at high-risk, try to use a mail-order service.
- You can still go to the gas station, order and pick up take-out food, and receive deliveries.
- You can still go outside to get fresh air, but make sure you practice social distancing and avoid touching surfaces frequently touched by others. Don't participate in close contact activities such as pick-up sports games.
- Use remote modes of communication like phone or video chat instead of visiting friends or family. Refrain from visiting nursing homes, skilled nursing facilities, or other residential care settings.
- Non-essential medical care like eye exams, teeth cleaning, and elective procedures must be rescheduled.
- If possible, health care visits should be done remotely.

Board of Health Requires Masks To Be Worn in Public

Effective April 27, 2020

Effective Monday, April 27th at 6:00am, the Bellingham Board of Health requires all people over the age of 5 to wear a mask in public.

GUIDANCE FOR WEARING FACE MASKS IN PUBLIC SETTINGS

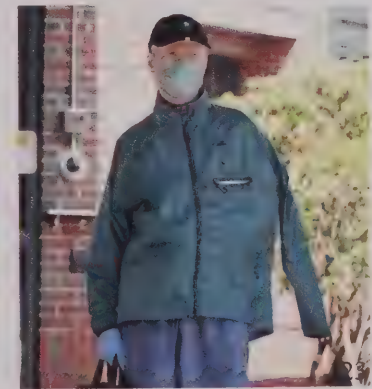

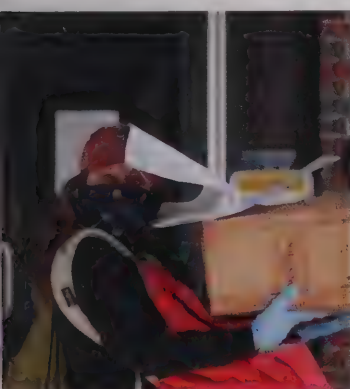

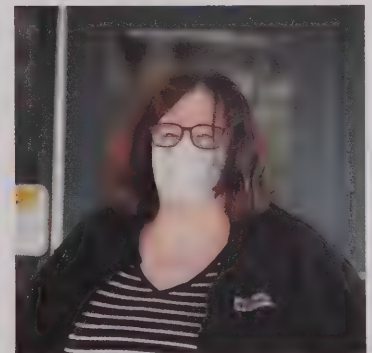

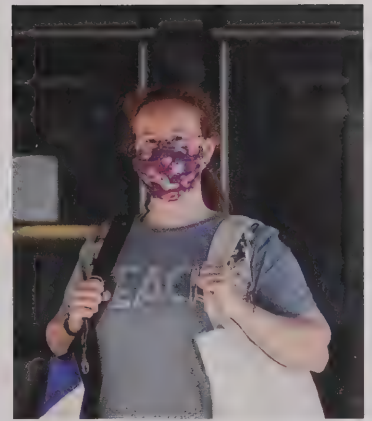

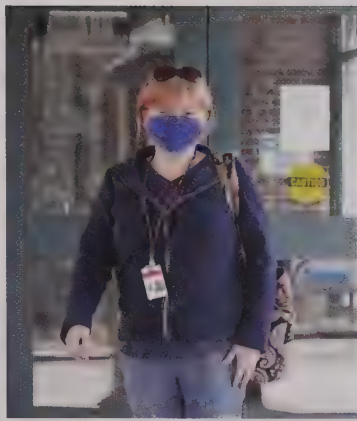

ISSUED
May 1, 2020

On May 1, 2020, Charles D. Baker, Governor of the Commonwealth of Massachusetts, issued an order effective 12:01 am, Wednesday, May 6, 2020, requiring individuals to wear masks in public places. This guidance is issued pursuant to that Order to further clarify who is required to wear masks and any exceptions.

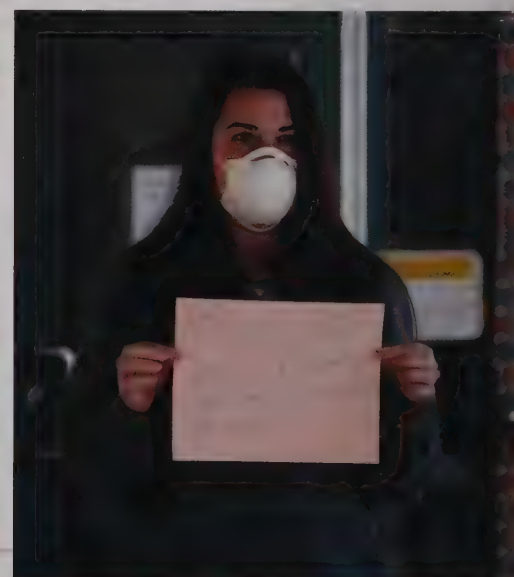

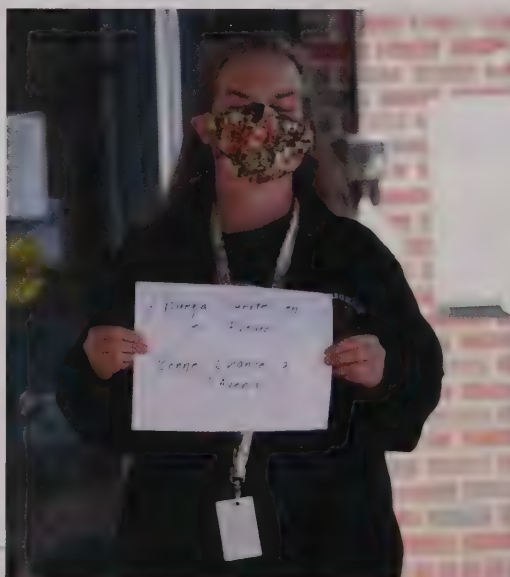

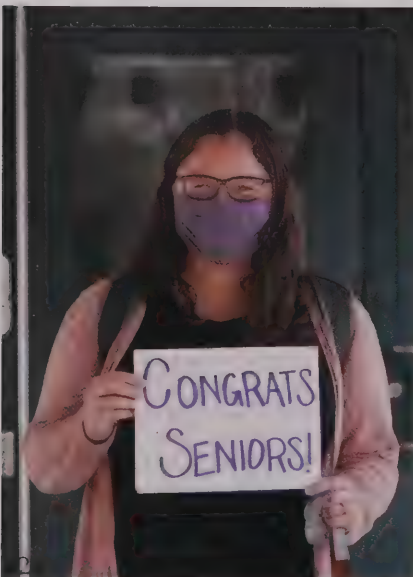

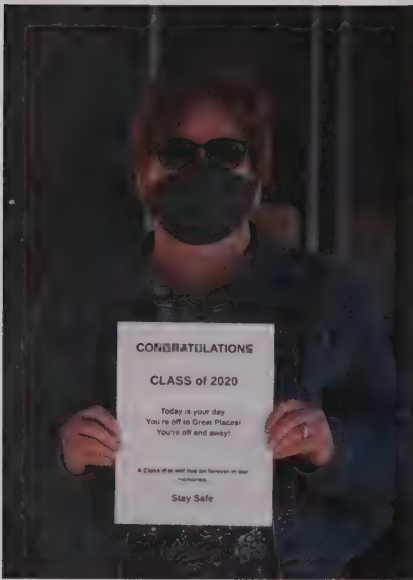

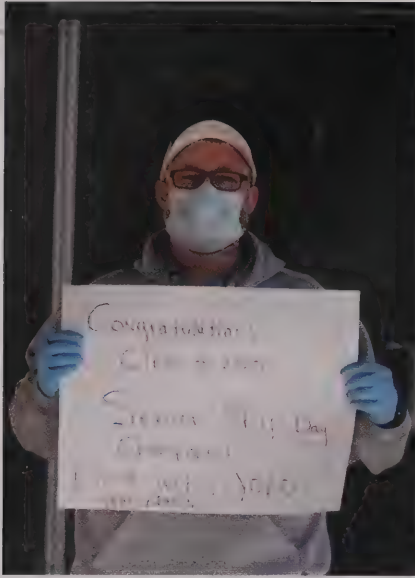

Any person who is in a place open to the public in the Commonwealth, when unable to maintain a distance of approximately six feet from every other person, shall cover their mouth and nose with a mask or cloth face-covering. Masks are required at all times when:

"I wear a mask
to protect you"

Class History

I wish I could be presenting this speech to all of you in person, but a video will just have to do. Our class, the Class of 2020 has experienced many firsts. We were the first class to enter Bellingham High School as eighth graders with the class of 2019 as freshmen. We got the nickname the “guinea pigs”. I’m sure we all remember our first yearly meeting with Mr. Forbes when he said “your next five years here at BHS are going to fly by”, and boy it sure feels like they have. Our time together may have been cut short because of Covid-19 but it will never be able to take away all the memories we have with each other. It is easy to dwell on the sadness that surrounds the senior events that we have missed. But today, I am here to reflect on some of the happiest and the most memorable experiences we shared together as a class.

Starting off with eighth grade, I think we all felt a similar sense of shock when we realized how small the lockers were in comparison to the ones at the middle school. And as for our first year of lunches at BHS, I think it's safe to say we have all spent at least one lunch sitting on a backpack since there was not enough space in the designated eighth grade seating area. While our first pep rally as eighth graders was quite a new experience for us, so was getting yelled at and booed by the class of 2015. This was one of the many times we took the fall for the class of 2019. Some of us even got inducted into the National Junior Honor Society. As eighth graders we were promised a full high school experience, but we did not get our eighth grade graduation and awards night and our first homecoming was not until freshman year. We definitely got our first round of midterms and finals. Lastly, we ended our year with the annual Washington D.C. trip, sadly this would be our last class trip together.

While Freshman year did bring us our first homecoming, it also brought us our first round of boos as official “high schoolers.” Whether or not you had Mr. McNamara freshman year, you either experienced or heard the horror stories of his weekly quizzes and tests that have stuck with our class till this day. We also studied, prepared for and took the Biology MCAS. While not much more comes to mind freshman year, at least our class was not nervous and our first year jitters were already done and over with.

Our sophomore year introduced our class to the revolving door of new science teachers, and left us all with one question... What is Chemistry? I think it's fair to say that during sophomore year some of us learned more about rocks than we would like to admit. But if being stranded on Chemistry island taught us one thing, it is that team work makes the dream work, and this is something that has always brought our class together. I would like to personally thank Khan Academy for seriously helping us fill in the gaps in our Chemistry knowledge. This year we also watched some of our favorite teachers step away from the job they love. Thank you to Mr. Norton and Mrs. McDonald. By the end of this year we were excited to become upperclassmen to begin planning for our futures.

As upperclassmen, junior year was a whirlwind of activities. It was certainly the most academically challenging year. As much as we wanted to procrastinate longer, we couldn't. This was the year we began setting ourselves up for the rest of our lives by scheduling college tours, preparing and taking the SAT and ACT exams. We even began planning our own senior prom, and fundraising for our own senior class events. We also took both math and english MCAS exams. Can you believe it was only one year ago when the rise of the VPNs began? It can be said with confidence that most of us had to schedule at least one meeting with Mr. Garofano, or been told to “get off the Apple TV WIFI” by a teacher or two. For some of us, this year was the first year we took AP classes, which meant in May it was time to take the test. It consisted of a lot of homework, studying and in some cases procrastination. When it came to basketball season, everyone wanted to show off their blackhawk pride so much so that we needed a whole fan bus. This is one of the many memories that will always stick with our class. By the end of the year we were done with school just like the Class of 2019.

The only thing we had left was our very first prom. Our prom was at the Kirkbrae Country Club, and the theme was “Masquerade”. We even anxiously waited until they announced the prom court. The prom court was Justin Crayton, Brandon Murphy, Jack Buckley and Jayden Caron, Grace Costello, Gianna Sannicandro, Olivia Smelstor and Kaleigh Macgowan. The junior prom King was Tim Desalvo and Casey Montgomery. It was everything we could have imagined. Just like that, the class of 2019 graduated and we ended our junior year by saying farewell to one of the faces of BHS, Mrs. Billie-Jean Lavallee. We were seniors and we were finally the top dogs in the school!

The Summer before our senior year I'm sure some of us were happy to leave this building, but now we are all struggling to hold onto what we had here at Bellingham High. Our senior year started off with a bang when our first day of school was canceled due to a fire alarm malfunction. From there it calmed down at least until the stress of senior year kicked in. For most of us this was when we had to start writing our college essays and getting teachers to write us recommendation letters. As we continued our senior year, we all felt a similar feeling of remembering all of our “lasts” in High School. We had our last football games, our last pep rally and our last homecoming. We had so much fun at our last homecoming where we announced Gaby Roman our Queen, and Brandon Murphy our King. This was our last dance together as a class and we had no idea how much this night truly meant. Just when we thought everything was going well, yet again Bellingham landed itself on the news when we found a shell casing in one of our hallways.

I will never forget when our class banded together when the administration tried to change the color of all of our caps and gowns to black. In less than a week we were able to get the entire grade to sign a petition to veto this decision. With our immense effort and dedication we succeeded and were able to convince the school administration to let us have the choice between white and black caps and gowns. This year we also saw our Boys Varsity Basketball team make it to playoffs and even play at WPI. We flooded the stands and cheered them on. Our class was looking forward to some of the last senior nights; our class Disney trip, the NHS fashion show, and even our last prom. Unfortunately, none of these events would ever happen. It was all going great until March 12th, our last day of school at Bellingham High, when everything changed.

Having only half a senior year in school brings a lot of missed senior experiences and activities, some of us didn't even get a chance to enjoy lunch outside. We all wish we could get half the money back we paid for those parking passes. We even endured 3 months of online school. We were all grateful to get out early and not have to endure another month of Remote Learning. I am sure we are all wishing we had those chromebooks by now. It is hard to believe when you think about all of the things we missed during our senior year. Collectively, we missed our senior spirit week, senior assassin, the annual run around the school on our last day, our class trip to Disney World, the senior cookout, our senior prank, Operation Graduation, the annual drive to the elementary schools, awards night, banquet, our high meadows trip, senior skip day, and lastly our Prom. Our Prom was supposed to be at Lake Pearl, ironically with the theme “The Roaring Twenties”. However, we are the first senior class to have graduation in August, have signs and posters hung up throughout the town, and even have a parade due to social distancing. Amidst this sadness we even said goodbye to yet another one of the main faces of BHS as he finally stepped away from the job he loved, the beloved Mr. Cleary. The past five years together have been incredible and full of amazing memories. I still cannot believe our journey together has finally come to an end. Although we could not finish our year together in person, and are upset and devastated about our senior year. We still overcame every obstacle we could and did everything in our power to make it the best year possible. When we graduate, although it will be in a few months, we will look back at all the memories and friendships we created and cherish the time we spent together. Congratulations Class of 2020! We did it.

Good evening honored guests, remarkable teachers and staff, and my fellow graduates. While I would love to deliver this speech to all of you on our turf field celebrating all of our accomplishments one last time, my living room will have to do for now. I would like to start off by thanking everyone who has made this journey possible. Thank you to our parents, who have helped us grow into the people that we are today. They were our backbones, the ones who always pushed us to do our best and strive for our goals. We will always treasure your motivation and love. Thank you to all of the phenomenal teachers that we had the honor to learn from over the past five years. They weren't only the people who educated us, they were another shoulder to lean on, another person to laugh with, and another person that we knew supported us. In addition to the teachers, I would like to thank the entire staff and community of Bellingham for everything they have done for us, especially in the last couple of months. They didn't forget about us and move on to the next year. Instead, they worked tirelessly to make this year as special as they could by planning a car parade and a graduation. I am truly grateful for the care they have shown us in trying to create a memorable year under such hard circumstances.

Class of 2020, we made it. Through all of the stress, late nights studying, and curve balls thrown our way, I am proud to say that we have finally made it. It feels like yesterday we began our journey in that little hallway next to the tower stairs. This hallway was the beginning of the crazy maze of high school, and we were thrown into it a year early. We entered this labyrinth timidly as the first class of eighth graders to move up to the high school. We struggled to navigate our way through the complex hallways, exams, and friendships, easily getting lost and overwhelmed in the midst of it all. But the longer we spent in high school, the easier it became to master every twist and turn, and we began to have fun. We experienced spirit weeks, which we always took the first place spot in every year. We showed up to every sporting event that we could and cheered on our teams in unity. We danced the night away at homecomings and our junior prom. And just as we thought we mastered high school and were aware of everything that could possibly be thrown at us during our final year, a global pandemic soared across the world, into our state, and somehow found its way to our little town. Instead of experts, we quickly found ourselves completely and utterly lost again with new challenges of face masks, virtual learning, and social distancing. The year that we looked forward to, the year of all years, was gone in an instant.

Our journey wasn't all butterflies and rainbows. We didn't go down the same path that every class before us seemed to go down. Instead, we had to blindly figure out high school for ourselves. As the first class of eighth graders in the high school, there was no class before us to give advice on how to survive eighth grade outside of middle school. And as the first class of seniors to trudge through school during a global pandemic, there was no class above us to reassure us that everything is going to be okay. We are a class of firsts, and as frustrating as it was to always be the ones sent into the unknown, we have grown tremendously from our experience.

There is something special about finding your way through the unknown. It is definitely more arduous and taxing handling the most unexpected and frightening changes firsthand, but we fought through them. We have gained a strength and resilience far greater than I ever could have imagined, far greater than any other class. Class of 2020, I encourage you to take this vigor and use it as an asset. Carry it with you through all of your future endeavors, because as stated in *Back to the Future*, "Your future hasn't been written yet, no one's has. Your future is whatever you make it. So make it a good one." Don't be afraid to face challenges head on. Go through those challenges with courage, just like we did as first year eighth graders and first year pandemic graduates. Don't sit back and allow your story be written for you, go out and write your own. And most importantly, have fun and make memories to last a lifetime. I am positive that each and every one of us are destined for greatness and I can't wait to see what the future has in store for all of us. Congratulations Class of 2020.

Salutatorian

Joyce Rodriguez

Good morning/evening to our graduating seniors, friends, family, and the BHS staff that are here to support us today as you have throughout the last five years.

Today is a day that calls for celebration as we are reaching the end of our high school career. It is a celebration of all of our efforts throughout the past twelve years. On March 12th, we went to school not knowing it would be our last day in the building. We went about our day like any other. Some of us were stressing about the Prom Fashion Show, I know I was, and some of us were just excited to leave to have lunch out with friends because it was a half-day. We didn't know that the sweet goodbyes we gave to our friends and teachers that day would be our last time doing so in person. None of us imagined that we would be graduating in August. Or that we would not see a more traditional end to our senior year. Finding out that we could not return to school back in May broke my heart as much as it probably broke all of yours. We all wished for one more day to take pictures with our friends, fool around in the cafeteria, and to have one last goodbye. We all wanted to have a senior prom and a senior week to show off the school spirit our class is known to have. We wanted one last day to tell our teachers thank you and leave our mark on the school just like every other class. But the thing is, we have. We were the first eighth grade class in high school. We are the first class to have a car parade around town just to celebrate us. We are the first class to enjoy awards night in our comfortable pajamas right at home, which I'm sure all of us loved. We are a class of many firsts so this is just the most "Class of 2020" way to finish our senior year. This only proves how special our graduating year is as no other class has experienced things the ways we have.

While this is the end of our high school chapter, it is only the beginning of a brand new journey on the path of life. Whether you are going straight into the workforce, joining the army, or continuing to further your education, your life is full of opportunities. Some of you might be feeling nervousness while others are just excited to see what is to come. Most of us are feeling both at the same time. While I am in the same boat as everyone else, I want to share some advice that I hope you will always remember. Accept every challenge with open arms. Do not let the hardships tear you down, no matter how scary or demanding they might be. Chase your dreams and do not let anything get in the way of that. Even if you fall, just get back up, brush yourself off, and work even harder to achieve your goals. Most importantly, do not let failure be the end of your journey. If one failed attempt stops you from trying to achieve your goal, then can you really say you tried? No! Failure does not equal the end unless you let it. Continue to try to use those failed attempts to help you grow as an individual. Create beautiful memories while doing this because once you reach the end, you want to look back on the journey with a smile. Learn from about the past, enjoy every moment of the present, and fight for a better future.

We do not know what will happen in the future and we cannot control everything that is coming our way. But one thing is clear: we are the future. We need to do everything we can to shape it into the future we want it to be. We cannot stay silent about current issues because if we do, they will not be fixed for the future. We need to take a stand and speak up. We need to take action. If we just sit back and watch the world spin, how will our society ever improve? We want to improve this country, no, the world. We, as the youth, as the FUTURE, need to do whatever it takes in order to create a world where everyone feels equal to each other because that is how it should be. We are all human and deserve to be treated and respected as such. So let's create that world. It needs to start today. Speak up. Do not stay silent. Let us be the generation that changes things for the better.

Today is a day of celebration and the beginning of our new lives as adults. I have no doubts that each and every one of us will do amazing things. I'm sure your loved ones have already said this to you but I'm going to say it too; I believe in every single one of you. We have tackled many hardships throughout the past few years and especially this past couple of months but we are here. Still graduating. This gives me no doubt that you will all succeed and reach your goals. You have already reached one today and I am so proud. Congratulations and best wishes to all. We did it.

Class President

Welcome and good evening Families, Friends, Distinguished Guests, and of course, the Graduates of the Class of 2020. Thank you all for attending our special day. What a day it is, here on the football field, with all of you. It has been an incredible journey, filled with memories and moments, smiles, and tears. Tonight we sit together, six feet apart, but closer than ever, and remembered forever.

Before I begin, I would personally like to thank my family, friends, teachers, administration, and coaches, who have put up with my endless questions and debates throughout the years. You all have been positive role models and have shaped me into the person I am today. I'd also like to give a special thanks to our wonderful class advisors, Mrs. Masterson and Mrs. Larkin, we recognize you lost out too. Your tireless effort and your sacrifice to make our senior year memorable will never be forgotten. Lastly, to my family and friends: this year has been filled with both smiles and tears; you have listened to me, encouraged me, and guided me, I am forever grateful.

Today marks the day when we take a step forward on a new journey and begin to make an impact on the world. Our class entered the world on the heels of 911, a world forever changed. And now, during the worst Pandemic in one hundred years, we leave the comfort of our homes and our wonderful community to open a new chapter in our lives. We've been part of a time that has seen exponential technological changes. We've been a part of the social media craze with Snapchat, Instagram, and now Tik Tok. However, we may be best known for becoming the "Zoom Generation".

To say our senior year was somewhat uncanny, is an understatement. What are the odds the first day of school would be canceled? Really? A fire alarm malfunction, oh well, "Better to be safe than sorry". Little did we know that saying would become the theme of our "Senior Year". We've been waiting for five years to rule the school, to have the best parking spots, our pick of the lunch tables, and to come in late and leave early. We were all looking forward to games under the lights, but, how could I forget, Triple E, one little annoying insect shut down our evenings of fun; oh well, "Better to be safe than sorry". The days at BHS were getting stranger.

Do you remember the first day back after Christmas break? Here we go again, we abruptly have to leave school without warning. Oh well, "Better to be safe than sorry". Looking back, maybe we should have started remote learning then. Oh, and a special shoutout to my Italy peeps who had one extra week of quarantine than everyone else, but of course "Better to be safe than sorry"!

Finally, we settled in, with our eyes on the prize, many of us looking forward to spring sports, drama, Disney, Senior Week, Award Ceremony, and yes Graduation; we're here, but we definitely took the road less traveled.

Class of 2020, after 5 years of being the first class to go to high school as 8th graders, we made it. Teachers told us in those first few days that it would all go by in a flash. I don't know about all of you, but I didn't believe them for a second. However, here I am, upon the stage, and I remember my first day like it was yesterday. Through happiness, struggles, and pain, we made it, and I am so proud of everyone in the Class of 2020. When you look back on the past five years, don't let your memories focus on the last few months of the senior year. Remember the fun times and all the moments that led you to here and now. The tireless hours you spent studying, playing your instrument, and learning lines for the school play. Remember your friends, the laughs, the smiles, the trips to DQ, Chilis, and Chipotle. Remember the tournament games, where we showed "Blackhawk Pride" to the world. There's nothing like being on the court and looking up to see the crowd going wild, even if Mr. Connor or Ace kicks you off the floor!

The challenges faced by the Class of 2020 across the nation has equipped each of us to become stronger individuals and achieve greatness. We are the class that will never be forgotten, but not just because of the Pandemic, but for all the accomplishments over the past five years. Class of 2020 you have made an incredible mark at BHS. We are resilient, determined, patient, compassionate, respectful, and academically focused. We are not afraid to use our voices and speak our minds.

As I watched the ABC special “Graduate Together”, I was struck by what LeBron James said, “The world has changed and you will determine how we rebuild it”. To me, those words come with a lot of responsibility, but we can do it. Being at home these past few months has given us all an opportunity to slow down and remember the little things. Previously, everything was moving at lightning speed. How many of you have learned to cook dinner, worked on a puzzle, played board games, and did laundry? Being home has shaped all of us to be better people. Although we have lost, we have gained too.

Looking back to our time at BHS, I will think of those few moments that we’ll miss the most. The little things that brighten our day: chocolate from Mr. Haddad, the hello from Mrs. Dillion, the epic dad jokes from Mr. Smith, and the candy canes from Mr. Cleary. We were the first class to embark into the high school as 8th graders. We were the class that kept the choice to offer either a white or black gown for graduation. You can’t forget about chemistry when, as sophomores, we persevered through a class with no teacher. Good luck with chemistry in college by the way!

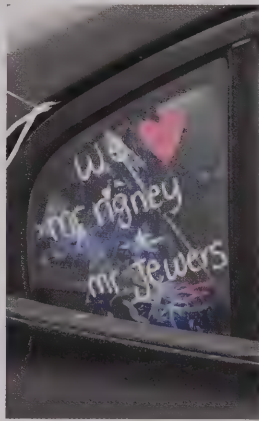

As we embark on a new chapter in life, we must remember that we can only control what we can, and although our year was cut short, our dreams and ambitions will not be. Mark Vancil, a bestselling author once said about Michael Jordan “His gift was not that he could jump high, run fast, shoot a basketball. His gift was that he was completely present, and that was the separator.” Michael Jordan did not worry about missing a shot he hadn’t taken yet, he controlled only what he could. Remember that as you move forward in life.

Thank you to everyone for being here tonight to support the Class of 2020. Congratulations to all my classmates for your achievements and persevering through these difficult times. We will go down in history. Class of 2020, it’s time to kick ass and take over the world!!

Messages from our families.....

"David, We are so proud of you and consider ourselves very lucky to have been given the opportunity to be your parents! You have a bright future ahead of you and we are excited to watch it unfold."

"Tim Desalvo, We are so proud of you and your accomplishments throughout high school but especially your senior year. You earned your varsity letter and became a member of National Honor Society against all the odds stacked against you. We are very sorry to see you miss prom, the Disney trip and all the other senior activities but know your future is filled with many more fun memories."

"Throughout this crisis of your senior year, you have handled it like only you can! We know your future will be great due to your independence and positive attitude and your ability to believe you can do anything you put your mind to. We love you and congratulations Nicole"

"Brad I'm so proud of the young man you have become. All your hard work has paid off. Being part of the National Honor Society, a varsity basketball player all while working part time at your job. With everything going on in the world you have handled it all extremely well with keeping up your school work and keeping in touch with friends through social media. I am certain that you will succeed in all you do."

"2020 was certainly a year you will never forget! We are very proud of you and all your accomplishments! Congratulations. Love Dad, Mom, Allison and Sarah"

"Rhilynne, may the future be as amazing as your heart is"

"Charles, we are so proud of you. This year will go down in history and make you stronger. Keep looking for the silver lining in everything. Cherish the memories and friendships you made. Class of 2020 the world is yours."

"Kasey my heart breaks for what your class is going through this year. Who would have every thought your senior year would end so abruptly. I am so very proud of how you have handled it and i hope you're able to move onto your college years on time. Keep smiling. Love you!! Mom"

"Ian, We could not be prouder of you and all your accomplishments!! You're going to do great things at Framingham State and throughout your life. Always keep reaching for the stars!! Love you tot he moon and back! Love, Mom, Murph, Bryan, Sean and Colin"

"Vanessa, I'm so excited for your new academic accomplishments. You are a strong and courageous young lady. Your perseverance has made you reach every single goal you had in mind. Let nothing stop you from celebrating one of the many accomplishments in your life. Congrats to class of 2020. I love you. Mom/Dad and family!"

"Dear Nicholas, we are so proud of you and are amazed at how well you have handled yourself thru this Coronavirus Pandemic Quarantine Adventure. These times are like nothing we have experienced and you have taken it with stride! Staying home has always been your kind of thing to do but I know you miss your friends too! Playing cards, HORSE, and Pin Pong matches are our daily activites these days. Keep smiling and just be YOU! Lost of love, Mom, Dad and Cole"

Anthony D'Aloia we are so proud of you and all you have accomplished at BHS. You really pushed thru these final months of a literal pandemic senior year as a student and essential worker. We wish you the best as you move onto SSU. Love, Mom Dad, Connor and Ashley

"Kaleigh, I am so very sorry for what your class has had to endure this spring. I am proud of how you have dealt with this and how strong you have stayed through it all. Looking forward to watching you in the next chapter of your life. Keep your head up and I love you!!! Mom"

"Brian, We are so proud of you! Congratulations graduate! 2020 Love you! xoxo"

"Tyler, Always serious! We will get through this and graduate. I can't believe this chapter of your life is almost over. I am so proud of you T-man. Love mom and dad"

"Paige, We have always been proud of the choices you have made. Choosing to wave with your foot rather than your hand. Choosing to dance rather than walk. Choosing good people to have as your friends!! Love you move Madre and Padre."

"Emily! Senior year you missed out on great memories, now go create some wonderful ones. We are so proud of you!!!"

"We are very disappointed that your senior year was not everything you imagined, but we have cherished this 'extra' family time with you these last few months. Although we will miss you, we are so proud and know you will be successful in your next adventure. With love, mom, dad and Hayden"

"Go into the world and do well, but more importantly, go into the world and do GOOD! We couldn't be prouder of the amazing person you have become! We love you! Mom, Brian, William and Lucas"

"Victoria, So proud of all of your accomplishments. Hard work pays off! Love ya, Nana and Papa"

"Congratulations Victoria. We are very proud of you. Can't wait to see what you do next! Love, Danny, Stacy, and Joey"

"Dearest Victoria, We are so very proud of you and know you'll do wonderful in college. We love you very much! Love, Auntie Linda and Uncle Paul"

"My darling Victoria. Congratulations honey. I love you. Nana Budd"

"Dear Matthew, You and your 2020 classmates will be remembered and revered for carrying on with dignity and understanding in the face of adversity. Though some senior year traditions have been unfairly snatched away, rest assured there are other more meaningful milestones and memories in store. You and your class surely won't be forgotten! Love, mom, dad, Ashleigh and McKayla"

"We are so proud of you Brandon! you are known as "Mr. BHS" for your leadership and love for your school. Nothing can take away all of your amazing accomplishments. Love, Mom, dad, Ty, and Tim"

"Megan Gottke, Love and believe in yourself with everything you do! Your senior year may not have ended traditionally but congratulations on your graduation! I am so proud of you and I look forward to seeing what your future holds. Love, mom"

"Nicolas, Promise you'll always remember...You're braver than you believe, you're stronger than you seem, AND you're smarter than you think"

"Sydney, Dad and I are super proud of everything you've accomplished so far and we know even more great things are coming your way! We love you very much! Mum & Buddy"

And a few more...

Rose, The strength of your character is reflected in how you handle challenges, not success. You and your classmates can use this time in your life as an excuse, or you can use it improve the world around you. You could become part of the next Greatest Generation. We love you so much.

Mom, Dad and Sonny

Gianna, Words cannot express how proud of you we are! You are so many things! You're smart, athletic, thoughtful, self motivated, driven, caring and an awesome friend, daughter and big sister. I cannot wait to see what the future holds for you! What a blessing to have you as a daughter! We love you so much! Keep shining your light! Love Mom and Dad

Kayla, We are so proud of everything that you have accomplished. Only great things await you! Now, on to Penn State! Love, Mom & Dad, Kyle & Michelle, Kristen & Bren, Kevin & Ally

We are so very proud of you, Olivia, accomplishing all that you have done. You have been a great student and an even better daughter/sister. Follow your dreams and be the best you. We love you very much and can't wait to see what the future holds. Lots of love, Dad, Mom and Ruby

And for one last time...

A Continent Fired Up

Smoke billows rise as fires ravage Australia. Wildfires burned over 28 million acres, killing dozens of people and destroying thousands of homes. Over a billion animals, including one-third of the koalas in New South Wales, died in the devastation and the smoke was visible from satellites in space.

Racing Toward 2020

Presidential candidates campaign full force ahead of state primaries and caucuses. President Donald Trump officially kicked off his re-election campaign, while the Democratic Party saw more than two dozen run. It was the largest and most diverse pool of candidates to date, with record numbers of females and people of color at ages ranging from 37 to 78.

Major party candidates as of November 2019

Family First

Prince Harry and Meghan Markle, the Duke and Duchess of Sussex, announce they will step back as senior members of the royal family. The couple spoke publicly of the stress of negative media attention and lack of family privacy following the birth of their son, Archie, even suing a British tabloid. They planned to split their time between the U.K. and North America and move forward financially independent from the Crown in order to begin new charitable endeavors.

I'm a VSCO girl in a VSCO world

VSCO girl fashion necessitates staples like scrunchies, hydro flasks, Vans shoes, friendship bracelets, coiled hair ties, oversized T-shirts, cowrie shell necklaces, Fjällräven Kånken backpacks, chokers and lip balm. Named for the popular photo app, VSCO girls became a defining teen trend. The name also served as an identity of sorts for those who embraced it.

Orange Pride

The University of Tennessee mascot wears the shirt that became a national sensation after a story of a young boy bullied for wearing a hand-drawn UT paper on an orange shirt for his school's college day went viral. UT made his design into an official shirt that sold out within minutes, with profits going to an anti-bullying organization. The university offered him a four-year scholarship.

Hong Kong protests

Over 800,000 Hong Kong residents marched in the streets in December during the Civil Human Rights Front Human Rights Day March. The pro-democracy march was the largest to date in the ongoing feud between Hong Kong and mainland China. Protesters called it a last chance for China to meet their demands for human rights.

Modern History

Plans for restoration begin immediately following the fiery blaze that consumed Notre Dame Cathedral in Paris while the world watched in horror. While disagreements ensued over the best plans to restore the 900-year-old cathedral, large and small donors pledged \$960 million toward it. The government stated repairs would be completed in five years.

Cruising to the Rescue

Royal Caribbean's cruise ship Mariner of the Seas hosts victims of Hurricane Dorian in the Bahamas. Refugees received shelter, food and transportation after the city of Freeport was devastated by the hurricane in September. Royal Caribbean and many other companies donated to disaster relief organizations to rebuild the area.

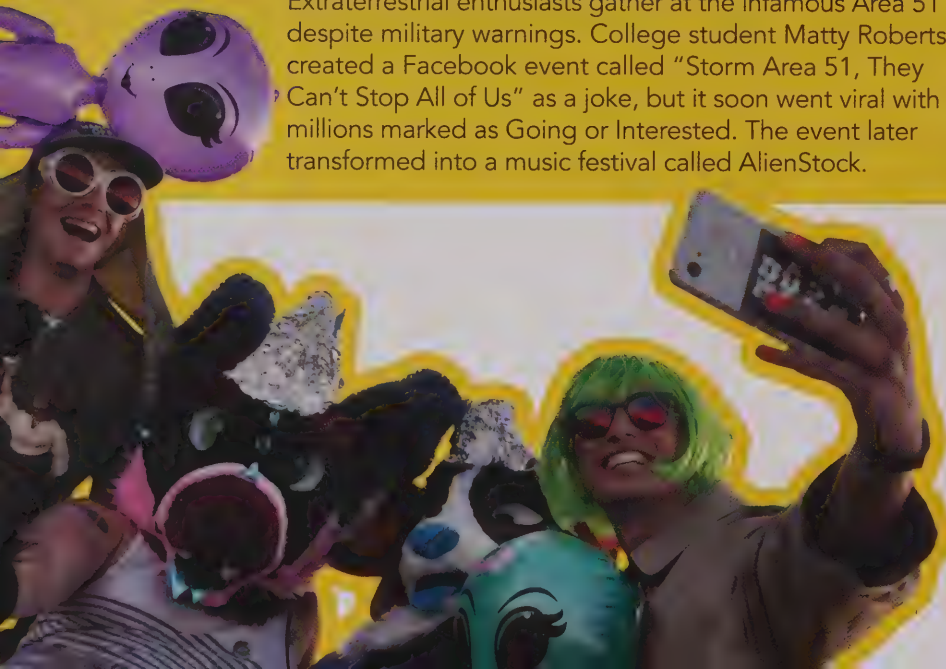

Desperate Admissions

Actress Felicity Huffman and her husband William H. Macy walk out of her sentencing hearing. Huffman and fellow actress Lori Loughlin were among the parents and coaches indicted in a college bribery scandal that alleged parents paid a consultant to alter test scores or attempted to pass their children off falsely as athletic recruits to gain admissions. Huffman was sentenced to 14 days in prison.

Desert Storm

Extraterrestrial enthusiasts gather at the infamous Area 51 despite military warnings. College student Matty Roberts created a Facebook event called "Storm Area 51, They Can't Stop All of Us" as a joke, but it soon went viral with millions marked as Going or Interested. The event later transformed into a music festival called AlienStock.

Pawsitive News

After decades of Breed-specific Legislation (BSL), many cities begin lifting bans on pit bull breeds, meaning more get adopted from shelters into fur-ever homes. Hundreds of cities adopted BSL beginning in the 1980s when pit bulls were portrayed as dangerous and aggressive, sometimes banning dogs that even had a resemblance to the breed. As residents, animal advocacy groups and dog owners spoke up, the tide of public opinion began to shift.

A Life Remembered

U.S. Representative Elijah Cummings of Baltimore becomes the first African American lawmaker to lie in state at the U.S. Capitol. Cummings, who served in Congress since 1996, died in October from long-standing health complications. He was the son of sharecroppers who became a civil rights leader admired by both sides of the political aisle.

Brexit Stage Left

Workers remove the United Kingdom's flag outside of the European Parliament in Brussels, Belgium, as they officially leave the European Union (EU) on Jan. 31. The country first voted for Brexit, as Britain's exit from the EU was coined, in 2016 by a narrow margin, leaving the kingdom bitterly divided. The removal was delayed numerous times when Britain and the EU failed to reach a trade agreement that received enough votes in British Parliament to pass.

It's Time

Year-end Jonas

The Jonas Brothers arrive back in the spotlight, reuniting after five years apart. Joe Jonas married Sophie Turner, and the Jonas Brothers' #1 hit song "Sucker" featured the Jonas ladies in the music video. Amazon Prime released the Jonas documentary *Chasing Happiness*, Nick Jonas starred in *Jumangi: The Next Level*, they won several awards for their album and were nominated for a Grammy.

Box Office Magic

Frozen II becomes the sixth Disney film of 2019 to reach \$1 billion worldwide at the box office, with *Star Wars: The Rise of Skywalker* the seventh. *Avengers: Endgame*, which made over \$2 billion and was the highest-grossing movie of all time, along with *Toy Story 4*, *Aladdin*, *Captain Marvel* and *Lion King*, helped Disney shatter previous records. By July, Disney had already broken its previous annual record of \$7.61 billion set in 2016.

Watch Me

The March sisters charm audiences in Greta Gerwig's new film adaptation of *Little Women*. This year, Hollywood saw *The Joker* and Quentin Tarantino's *Once Upon a Time... in Hollywood* garner attention and acclaim while Marvel movies like *Spider-Man: Far from Home* were big at the box office. Streaming services like Netflix flexed their powers with heavyweight stars like Robert De Niro in *The Irishman*, Scarlett Johansson and Adam Driver in *Marriage Story* and Aaron Paul in *El Camino*, a follow-up movie to the series *Breaking Bad*.

Historic Wins

So-dam Park and Woo-sik Choi huddle together in *Parasite*. Bong Joon Ho's film won for best original screenplay, best director, international feature film and the highest honor, best picture – the first non-English film to win best picture. *Joker* composer Hildur Gudnadottir became the third woman to ever win best original score, *Jojo Rabbit*'s Taika Waititi became the first indigenous director to win an Oscar and Barack and Michelle Obama's Higher Ground Productions won best documentary for *American Factory*.

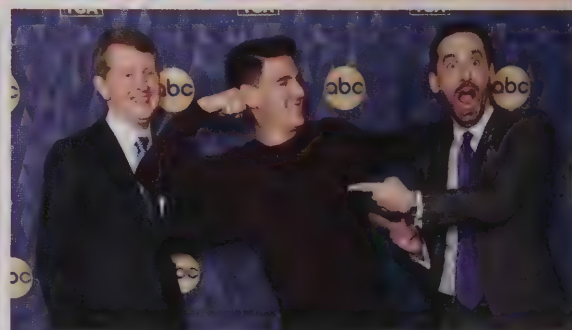

Now Listen Here

People like news, at least the people who listen to podcasts seem to. News podcasts *The Daily*, by *The New York Times*, and *Up First*, by NPR, topped the podcast charts in 2019. Among younger audiences, *Life is Short with Justin Long* and true crime podcasts like *My Favorite Murder* retained their loyal audiences.

Better Than Ever

Comedian Eddie Murphy poses for media outside the 77th Golden Globes in January. Around the holidays in December, Murphy hosted *Saturday Night Live*, returning to the show where he became famous for the first time in nearly 35 years. The episode Murphy hosted was the most watched SNL in more than a decade.

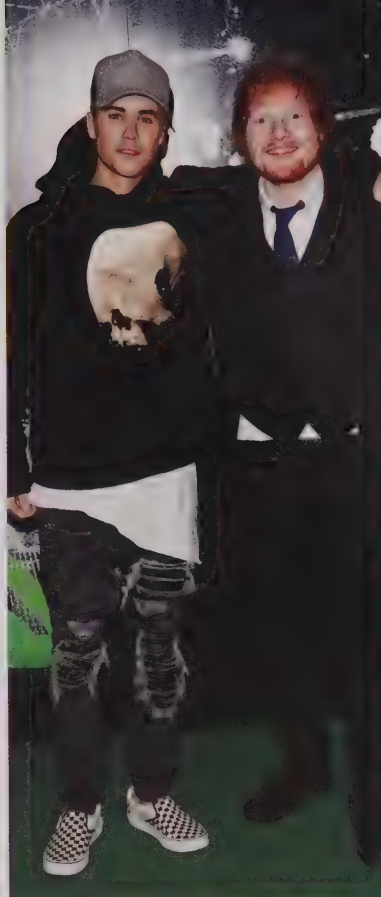

Jennings the G.O.A.T.

Past *Jeopardy!* champions Ken Jennings, James Holzhauer and Brad Rutter playfully pose for pictures in January for their national TV event – the *Jeopardy!* Greatest of All Time tournament. Considered three of the best players in the game show's history, the trio competed over four nights and drew huge TV ratings. Jennings, who still holds the record with 74 straight wins on the show, won the tournament by becoming the first player to get to three wins.

More Progress

Chinese-American actress Awkwafina stops for photographers at the *Jumanji: The Next Level* premiere in December. As Asian representation in Hollywood continued to be a hot topic, Awkwafina's rise to stardom became a focus of the discussion. One year after her hit *Crazy Rich Asians*, she starred in *Jumanji: The Next Level* and the critically acclaimed *The Farewell*, which earned her a Golden Globe.

Worldwide Hit

Justin Bieber and Ed Sheeran take time for a photo before Sheeran performs a concert in London. Bieber and Sheeran recorded a song, "I Don't Care," as part of Sheeran's latest album, *No. 6 Collaborations Project*. The song reached No. 1 on the pop charts in 26 countries.

Quite a Decade

Pop star Taylor Swift performs at a concert in London in December. Earlier in the year, Swift released her seventh album, *Lover*, and it debuted at the top of the charts with nearly a million units sold the first week. The lead single off the album, "Me!" was nominated for Song of the Year at the Grammys, and Swift received Artist of the Decade at the American Music Awards.

Center Stage

Thousands turn out to watch the first ever Fortnite World Cup in July at Arthur Ashe Stadium in Flushing, New York. Kyle Giersdorf, a 16-year old from the Philadelphia area also known by his gamer name "Bugha," won the Solo event in the video game contest, taking home a \$3 million prize. An estimated 2.3 million viewers watched the final event online.

A Shocking Loss

A tribute to retired basketball star Kobe Bryant displays outside the Staples Center in Los Angeles. Bryant, a five-time champion with the L.A. Lakers and 18-time NBA All-Star, was one of nine people to die in a helicopter crash on Jan. 26 in Calabasas, California. Bryant's 13-year old daughter, Gianna, was also killed in the crash.

50 Years in the Making

Kansas City Chiefs quarterback Patrick Mahomes (15) throws a pass while eluding San Francisco 49ers defensive end Arik Armstead (91) during the second half of Super Bowl LIV in Miami on Feb. 2. Mahomes rallied the Chiefs to a 31-20 victory, even after they trailed by 10 points entering the fourth quarter, and was chosen the game's MVP. It was Kansas City's first Super Bowl appearance, and victory, in 50 years.

Sky's the Limit

Sky Brown, an 11-year old British skateboarder, trains before a competition in Japan. Brown earned a high seed at the 2020 Olympic qualifying events for skateboarding, one of five new Olympic sports. Brown planned to earn a spot on the British Olympic team in 2020, making her the youngest Olympian in at least a century.

Tigers on top

LSU quarterback Joe Burrow fires a touchdown pass against Clemson during the College Football National Championship Game on Jan. 13. LSU beat Clemson, 42-25, to win the fourth national championship in school history. Burrow, who also won the Heisman Trophy, finished off one of the greatest individual seasons in college football history with 463 yards passing and five touchdowns in the final game.

Sweet Victory

U.S. center Becky Sauerbrunn heads the ball clear against the Netherlands during the finals of the 2019 FIFA Women's World Cup in France. The Americans defeated the Netherlands, 2-0, in their second straight World Cup title. Team captain Megan Rapinoe was the leading scorer with six goals and was named Best Player.

Road Warriors

Washington Nationals pitcher Max Scherzer delivers a pitch during Game 7 of the World Series. The Nationals defeated the Houston Astros, winning the decisive game, 6-2. The series was noteworthy since the road team won all seven games for the first time, and it was the Nationals' first World Series victory.

It was a year for crazy, quirky records to fall in sports:

- In October in Vienna, Eliud Kipchoge of Kenya (above) runs a marathon in 1 hour, 59 minutes and 40 seconds. Breaking the two-hour mark for a marathon was previously thought unattainable.
- Nepali mountain climber Nirmal Purja successfully reaches the peak of the world's 14 tallest mountains within seven months. The previous record was more than seven years.
- Aries Susanti Rahayu smashes the women's speed climbing record by scaling a 50-foot wall in 7 seconds. The 24-year old Indonesian became nicknamed "Spider-woman."

Out of Luck

Andrew Luck greets fans after announcing his surprise retirement in August. The NFL quarterback for the Indianapolis Colts was preparing for his seventh season when he made the decision to call it quits, citing the struggle from repeated severe injuries. Luck, still only 29 and a four-time Pro Bowl selection, was considered by some to be the best pro athlete to end their career during their prime.

The Road to 30

An ownership group led by British soccer star David Beckham meets with the media to announce their new Major League Soccer (MLS) team, Inter Miami CF. By the end of 2019, MLS had unveiled its plan to grow the league from 24 teams to its ultimate goal of 30. In addition to Miami, new expansion teams would be added in Nashville, Austin, Charlotte, St. Louis and Sacramento.

New Times in the NFL

Katie Sowers, a full-time assistant coach with the San Francisco 49ers, helps the team get ready before a game. The hiring of Sowers was part of a new trend by the 49ers and the NFL to get more women hired in to help lend the proper perspective to issues that impact women.

ATHLETES of the decade

As 2019 passed into 2020, the Associated Press named tennis star Serena Williams and NBA legend LeBron James as its Athletes of the Decade. Other finalists included:

Men

- Tom Brady
- Usain Bolt
- Lionel Messi

Women

- Simone Biles
- Katie Ledecky
- Lindsey Vonn

Paying the Price

Presentations of the Russian flag, like the one shown here at a children's camp in December in Crimea, won't be on display at the next two Olympic games after the World Anti-Doping Agency (WADA) banned Russian teams from competing due to repeated violations. Individual Russian athletes who pass the requisite tests will still be able to compete on their own.

King of the Court

NBA star Kawhi Leonard moves to the basket during a December game for the Los Angeles Clippers. The soft-spoken superstar took his place among the best in the game this year, leading the Toronto Raptors to their first NBA title in team history. Leonard then signed as a free agent with the Clippers and kicked off a rivalry with LeBron James and the cross-town L.A. Lakers.

Big Breakthroughs at a Molecular Level

Medical uses for CRISPR race ahead. Scientists at the University of Pennsylvania began using the gene-editing tool for cancer treatments, a Nashville woman was seemingly cured of her sickle cell disease and researchers at Locus Biosciences explored its ability to fight antibiotic-resistant "superbugs."

A Year of Antitrust

Sundar Pichai, the CEO of Google parent company Alphabet, speaks at a press meeting in September. Attorneys General from 48 states, the District of Columbia and Puerto Rico announced an investigation into Google over possible antitrust violations. The Federal Trade Commission also fined Facebook \$5 billion for privacy violations while the social media giant faced a separate antitrust probe, and both Amazon and Apple faced probes into alleged anti-competitive practices.

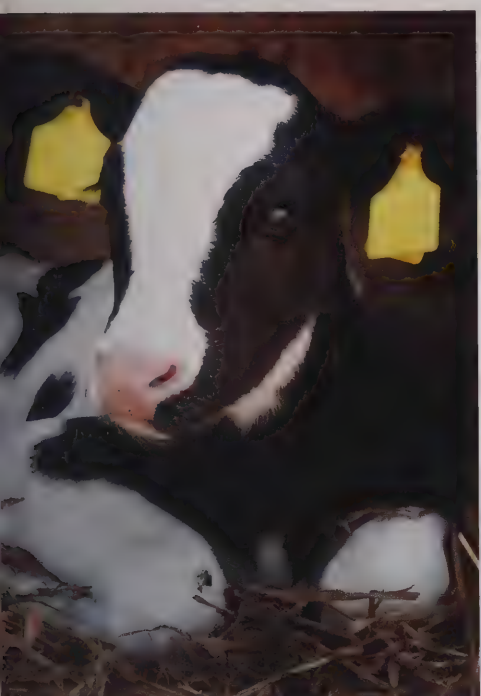

Crawl, Walk, Run, Trailblaze

A Girl Scout in California shows off her badges while walking in a local parade. The 107-year-old organization shook things up in 2019 with the introduction of 42 new badges girls can earn. The new badges encourage girls to explore STEM fields and outdoor activities.

Got Genetic Diversity?

Most dairy cows are related. Geneticist Chad Dechow traced most Holstein descendants back to two bulls from the 1950s and 1960s, Round Oak Rag Apple Elevation and Pawnee Farm Arlinda Chief. Dechow urged farmers to avoid future problems by encouraging gene variation.

1,000 Miles Above the Glass Ceiling

Flight Engineer Christina Koch takes a selfie on the International Space Station's first all-female spacewalk. She and fellow astronaut Jessica Meir successfully replaced a failed power controller on Oct. 18. The history-making spacewalk was rescheduled from March due to a lack of properly fitting spacesuits.

Going Viral

A Chinese health official takes the temperature of a quarantined woman in the Shandong province of China in February, checking for signs of the coronavirus. Over 75,000 were affected by February, and the death toll was higher than the 2002-2003 SARS outbreak, leading global health professionals worried it could turn into an international pandemic. Governments enacted quarantines, and airlines rerouted flights to specific airports for passengers to be screened for symptoms.

Where's the Beef?

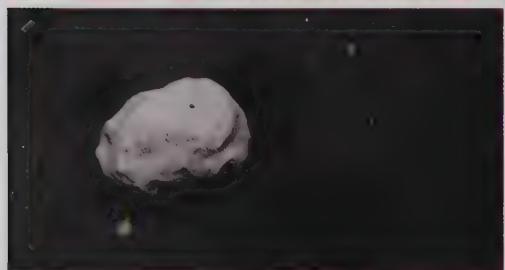

Burger King's Impossible Whopper looks and tastes like its traditional beef-based twin but is made entirely from plants. Plant-based substitutes from brands like Impossible Foods and Beyond Meat were available at popular fast food restaurants like Burger King, Carl's Jr./Hardees and KFC. Concerns about health and factory farming's contributions to climate change caused a rise in demand for plant-based foods.

Scoot Along

A rider uses an electric scooter to get around. Companies like Bird and Lime started offering these dockless electric scooters to rent for short periods of time, and they quickly grew in popularity. By the end of 2019, they were available in most major metropolitan centers and could be picked up anywhere using a mobile app.

Keeping the Asteroids at Bay

NASA is now several steps closer to being able to divert asteroids from the earth's orbit. The Double Asteroid Redirection Test team announced plans to deliberately crash the DART spacecraft into the asteroid Didymos. NASA selected the SpaceX Falcon 9 rocket to launch DART in late summer of 2021.

"The Eyes of All Future Generations are Upon You"

Environmental activist Greta Thunberg delivers an impassioned speech at the Climate Action Summit of the United Nations General Assembly in September. The 16-year-old gained international attention for organizing global climate strikes demanding action on climate change, which four million people attended. She was named *TIME*® Magazine's Person of the Year and nominated for the Nobel Peace Prize.

Burn Out

Members of the indigenous Huni Kuni tribe in Brazil take in the damage to their burnt land. The Amazon rainforest fires caused global concerns and raged for months. Research showed that the number of active fires in August 2019 was almost three times as high as August 2018.
